

## 2016 Summer Fellows

WV-INBRE sponsors a Summer Research Fellowship Program for faculty members from the PUIs in the network. This year's summer fellows are Dr. Cydne Perry and Dr. Dawn Turner.

Dr. Cydne Perry is an Assistant Professor in the Department of Business Administration and Family and Consumer Sciences at Shepherd University. She will conduct her summer research at WVU in Dr. Joseph McFadden's lab.

Dr. Dawn Turner is an Assistant Professor of Biology at the University of Charleston. She will conduct her summer research in Dr. Jiang Liu's lab at Marshall University.
